

BUGGY POLICY

Use of Buggies on the Golf Course

Introduction

The purpose of this document is to establish a standard for the safe operation of all Buggies operated on the course at Onneley Golf Club. The document also sets down the criteria to be applied and conditions to be met for their use.

The Club has a number of buggies available for hire and they can be booked in advance, by telephoning the steward on 01782 750577. Any booking is subject to restrictions that may be imposed owing to the condition of the course. No guarantee can be given that a buggy will be available unless it has been pre-booked.

Qualifications:

In normal conditions there is no restriction on the use of buggies other than in certain areas of the course (see Conditions of Use).

In some circumstances however it may be necessary to restrict their use (see Buggy Restrictions).

Use of a privately owned buggy / ride on buggy will not be allowed unless authorised by the Club. Any person who operates any kind of buggy on the golf course is deemed by so doing, to have the knowledge, training and skill to safely operate this vehicle and be fully accountable for their actions and the consequences thereof.

The safe operation of Buggies on the course requires conscientious application and adherence to the minimum standard of care prescribed by this policy.

All buggies must be operated in accordance with the requirements of the following documents:

- Golf Buggy Safety Policy
- Golf Buggy Safe Working Practice
- Golf Buggy Safety Policy Acknowledgement Form

The Club reserves the right to refuse permission if some or all of the conditions stipulated are not complied with.

Buggy Restrictions:

The Club staff may determine that the state of the course or the weather is such that safety on or the condition of the course may be unacceptably compromised if a buggy is used. This might apply to the whole or just part of the course. Potentially unsuitable conditions include water logging, frost, etc. Where such conditions arise the club will review the situation on a daily basis.

Use in General Play and Competitions

All types of buggies may be used during general (non-competition) play.

Buggies are not permitted to be used in any club competition unless the competitor can provide an appropriate Doctors Certificate confirming that they are unable to play a full round of golf without the use of a buggy. This should be presented to the Clubs Competition Secretary in advance for his authorisation.

Those suffering from a disability within the meaning of section 6 of The Equality Act 2010 must register with the Club Competition Secretary a medical certificate signed by a registered General Practitioner confirming that they are unable to play a full round of golf without the use of a buggy. This dispensation applies solely to the disabled player and any "able bodied playing partners" are strictly forbidden to utilise this facility.

Golf Buggy Safety Policy

The Club has a duty of care to all users of the golf course. The topography of certain areas of the course is such that caution and prudence must be shown by the user of a buggy.
